## 2024 - 2025 Tour Pricing Guide (AUD)

	Family of 2	Family of 3	Family of 4	Family of 5
Silk Road	19,495	27,495	38,990	51,490
UAE	20,995	28,495	39,990	48,490
Arctic	21,995	31,495	43,990	53,490
Peru	17,995	26,495	35,990	44,490
Turkey	19,995	28,495	39,990	48,490

Pricing varies according to family group size, irrespective of age. Our tours are designed for participants aged 13 and above, although exceptions may be made for younger siblings. In most cases, triple-share accommodations are in one room, while quad and quintuple shares are either spread across two rooms or upgraded to a larger room on rare occasions.

### Group sizes range from 12 to 24 participants.

Please note that if the minimum number is not met, the tour may proceed without an Australian tour leader.

#### FINANCIAL COMMITMENT

It's essential to weigh this against the cost of not taking your family on a remarkable adventure. Time with our loved ones is fleeting, especially during the formative teen years.

The thoroughly planned itineraries and experiences on our trips serve as an investment in lasting memories, in familial bonds, and in stories that you'll reminisce about for decades to come.

#### INDEPENDENT TRAVEL SOLUTIONS

If a group tour doesn't quite fit your needs, consider a customised private holiday. This option may be ideal if:

- Your available travel dates don't align
- Your budget varies
- You prefer a more intimate family bonding experience
- You have specific inclusions in mind
- You're interested in a different destination

We're experts in crafting special experiences for families with teenagers. Share your requirements with us, and we'll tailor a journey just for you.

## Group Tour Terms & Conditions

**Standard Tour Inclusions:** An Australian adult and teenager tour leader • handpicked luxury and boutique hotels • daily breakfast, and additional meal most days • transfers, including flights where applicable • portage • tipping • guided city tours with entrance fees • cultural, adventure, and leisure activities listed in the comprehensive itineraries (e.g., hot air balloon ride, horseback riding) • family-related challenges and bonding experiences.
